Dear Sir:

We are much interested in your
illustrated article on the pottery of Chaco-
Santiagoueña, which appeared in La Prensa,
April 7, 1935.

Have you published any articles
of greater length on these ceramics, and would
you be interested in a possible exchange of
some of your duplicate pieces for material we
might be able to spare from our duplicate
collections? We would be pleased to hear
from you at your convenience as to both of these
questions, and at that time will be pleased to
have some information as to what type of speci-
mens and from what areas you would be interest-
ed in.

Very truly yours,

MUSEUM OF THE AMERICAN
INDIAN, HEYE FOUNDATION
