

# Tehran Book Garden

**The Largest Permanent Book  
Exhibition in the World**

*A Report of Trait, Mission and Vision*

Tehran  
Municipality

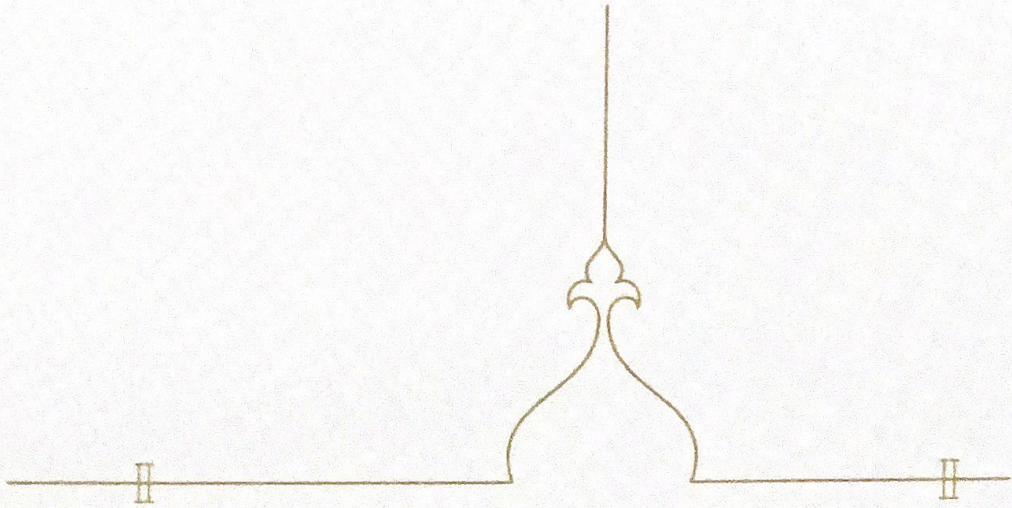

Developing Cultural  
Environment Co.

—•  IN THE NAME OF ALLAH  •—

### **Introduction**

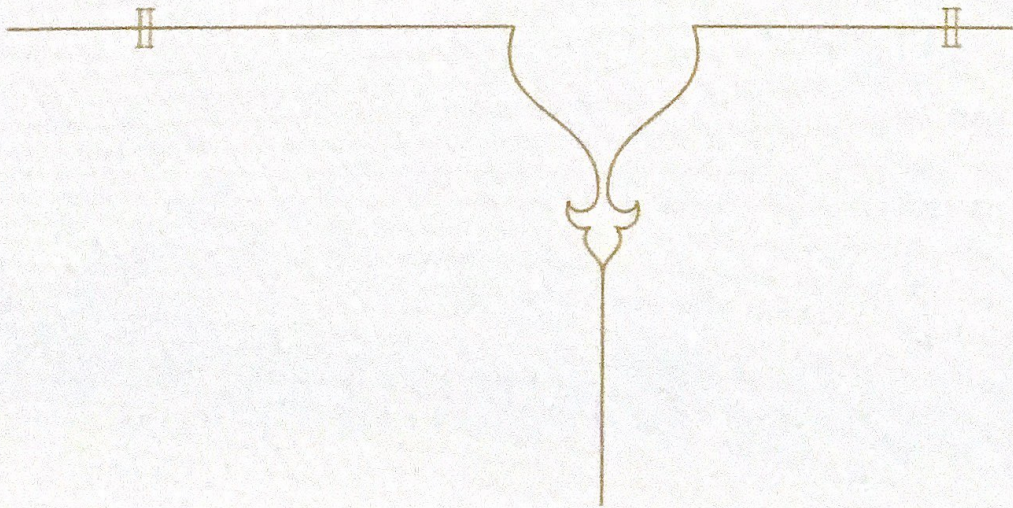

The Book Garden is one of the biggest cultural programmes of Tehran Municipality. This 65,000 square meters building which constructed in an 11 hectares land, will hold series of book related activities including exhibitions and sale of books and other cultural goods, holding cultural and artistic fairs, performing plays and showing adapted movies, holding a variety of festivals, and other programmes related to books and etc.

On this regard, Tehran Book Garden will be also one of the biggest complexes in the world assigned for books and book reading culture. The construction of this complex will be finished by the end of March 2013, and it will be open to public from 2014.
